Dear Sir,

With reference to your email dated 16.07.2024 on the above-mentioned subject.
The point-wise reply with respect to IIT Roorkee is given below:

1. Point 1: Whether the government has recognised the importance of introducing multilingual assessments in Design education; and

Reply: "Primarily, the English language is the medium of instruction in IIT Roorkee considering the fact that there are students from different parts of the country as well as from outside the country. Assessments are, therefore, carried out accordingly.
However, the Department of Design facilitates multilingual interaction with the students, including during assessments.

2. Point 2: If so, the steps the government wish to take to address the issue?

Reply: Further, the department encourages interaction of the students with their seniors and faculty members during the "Zero Hours", specially created by the Institute for the purpose. "
