Institute has a Counselling Centre and offers a broad range of services, including individual counselling, group counselling, and medication management to promote mental health, life skills training, build resilience, and overall well-being of the student community. Presently, the Centre has eight full-time professional counsellors and one consultant psychiatrist. Additionally, one consultant psychiatrist is attached to the institute health services (B C Roy Technology Hospital, IIT Kharagpur). Counsellors provide individual consultation and risk assessment of the student, recommend individual counselling, and schedule an appointment with the psychiatrist based on the need and severity of the problem. Counselling centre has a good liaison with the institute health services and provides 24X7 on-call counselling service during a mental health crisis. The Centre initiates an outreach program involving building a team of sensitized wing representatives from each hall of residence to help fellow students. Before the commencement of every academic session, the counselling centre is an active part of orientation programme for first-year students. The Centre conducts Gate Keepers Training sessions for different stakeholders including halls supervisors/managers, institute security personnel, faculty and student representatives.

Sir/Madam,

Lok Sabha Unstarred Question **No.3126** listed for reply on **20.03.2023** is as under:-

(a) whether the Government has taken note of reports on suicides of students particularly those belonging to Scheduled Castes (SCs)/Scheduled Tribes (STs) in Central Institutions of Higher education and the recent one in the Indian Institute of Technology (IIT), Mumbai;
(b) if so, the details thereof;
(c) the details of SC/ST students cells formed in Central Institutions of Higher Education and those institutions not having such cells, institution-wise;
(d) whether one of the head counsellors of the said committee is a person who signed anti-reservation memorandum and IIT, Mumbai also admitted it as fact;
(e) if so, whether inclusion of such members will not affect the confidence of SC/ST students to approach them for their grievances;
(f) if so, whether the Government will issue suitable instructions to put persons having social sensitiveness in those committees and remove those who are not; and
(g) if so, the details thereof and the details of SC/ST Cells of Central Institutions of Higher Education have members from students belonging to SCs/STs?

2. It is requested that inputs for framing the reply for this question may kindly be furnished in Word format/ following google sheet by 15.03.2023 (1.00 PM) positively:

Inputs from IIT Jodhpur for the Unstarred Qns. Dy No. 5185 regarding Internationalization of Higher Education System in India for answer on 13.02.2023

S.N.	Question	Reply
a.	whether the Government has taken up various initiatives to Internationalize the Higher Education System of India;	IIT Jodhpur offers many UG and PG programmes to International students through various schemes such as ICCR, Study in India and ASEAN fellowship schemes etc. The Institute has signed MoUs with foreign Universities for MBA Dual Degree Programme to broaden student experiences and horizons, and to explore the promotion of academics in terms of Cultural ties, Research, and Development.
b.	if so, whether the globalization of education has effectively changed the society from industry-based society to information-based society;	It is expected that various initiatives in this direction would help Society.
c.	if so, the details thereof and the benefits likely to be provided to the Indian students from the said plan;	The internationalization of academic programs and research activities is becoming important for academic institutes in India due to the thrust towards globalization of the higher education system and the introduction of New Education Policy-2020. IIT Jodhpur made concentrated efforts to establish connections with global universities for exploring possibilities related to Student-Faculty exchange programs, joint research guidance and projects, sharing of resources for mutually beneficial goals, joint academic programs, joint workshops and conferences etc. The Institute has signed MoUs with multiple universities in the recent past to meet some of these objectives.
d.	whether the Government has signed any Government-to-Government level MoUs/Education Exchange Programmes with counterparts of various countries;	Not Applicable
e.	if so, the details thereof.	NA

	country-wise;	
f.	whether the Government has been working on a regulation that **World-Class foreign Universities and Institutions have been allowed** to offer courses in Financial Management, Science, Technology, Engineering etc. **in the country**; and	NA
g.	If so, the details thereof?	NA

1 IIT Kharagpur				
2 IIT Bombay		For undergraduate students who have difficulty with English, we provide English language classes. Further, for 1st year undergraduate students, teaching assistants are provided who help students in their vernacular language in tutorial classes.	There is no plan to change the medium of instruction as advanced technical information is mainly available in English.	
3 IIT Madras		Medium of instruction is English, we enable student mentor support in case there are students facing challenges related to language in class. Translated lectures are available in NPTEL. An 'O' level English language course was provided for the 1st year undergraduate students.		
4 IIT Kanpur		The medium of instruction at IIT Kanpur is English as students from across the country (and foreign countries) attend the courses. Nonetheless, instructors extend their full support in facilitating students.	- As per NEP 2020, Hindi lectures of two first-year courses (PHY102A: Physics-I & ESC101: Introduction to Computing) are available, and translations of other courses are in the pipeline. - IIT Kanpur has proactively incepted 'Shivani Centre for Nurture and Reintegration of Hindi and Other Indian Languages' in order to provide a soft-landing to students from the non-English speaking background. It serves as an ice-breaker, provides partial support on hindi-summary of selected courses, and encourages a technological mindset for Hindi font, corrections, grammar, etc. - In addition, 'Toastmaster International' club has been set up to prepare, train, and motivate students to feel confident in spoken English.	
5 IIT Delhi		The Medium of instructions at IIT Delhi is English, but the students who had prior education in vernacular languages are not disadvantaged.	IIT Delhi has English language labs for all students, and those requiring special attention are given increased one-on-one instructions for improving their English communication and comprehension. In addition, student support groups made up of senior students provide language mentoring to such students

Instructors and teaching assistants clarify the doubts in Hindi or in easily understandable English sentences. The first year undergraduate students attend a course on Communication skills in which they are taught reading, writing and speaking in English. It is generally observed that after the first year, most of the students are comfortable in following lectures in English. Teaching Assistants are appointed to provide additional support in terms of discussing, explaining problems, solutions and laboratory experiments. The student life is rich in co-curricular and extracurricular activities in which the students get the opportunity for team work and they freely use vernacular language for discussions. Several lectures by eminent academicians and industry experts are organized so that students from all backgrounds (urban or rural) are motivated to aim towards achieving higher goals in their career and contribute to the growth of the nation. There are equal opportunities for all students to pursue their interests. based on the proficiency of the students in english language, courses are offered to them.	a medium of instruction. 16	IIT Indore	The medium of instruction is English	IIT Indore offers English Communication courses as part of the curriculum as well as conduct English diagnostic test and based on its result, distribute the students into different batches for better understanding and learning. IIT Indore runs Basic English courses for such students to help the smooth study of the students and also assign faculty advisor to help the students in case of any difficulties arrive during the course.	NA	NA
17	IIT Mandi				
18	IIT Palakkad	The medium of instruction is English for all the course based and research programs, to ensure that students from rural backgrounds can also compete with engineers and scientists from anywhere in the world when they graduate. It is noted that the students are from hindi speaking and non-hindi speaking areas within India, and from abroad.	To assist students, the institute has a Computer Assisted LWRS (listening, writing, reading, speaking) course for English Learners offered on the learning management system, which the students can do at their own pace. In addition to that, the students are offered group and one-on-one sessions with the English Language Consultant of the institute.	NA	NA
19	IIT Tirupati	English is the medium of instruction at IIT Tirupati. However, the institute makes all out efforts in creating an inclusive environment in the campus and welcoming students from varied backgrounds.	Immediately after the admission, students in need of proficiency in English language are identified by conducting an examination during the Induction and Orientation program. A course in 'Proficiency in English Language' is offered to such students. This enables the students from a Non-English background to get accustomed to English Language teaching. Remedial English classes are also taken from time to time to further enhance the English Language ability of the students also evaluates the progress of the students on a regular basis and help them in overcoming any obstacles or deprivations. The institute has a peer assisted learning program as well as a guidance and counselling unit to help students in realizing their academic aspirations irrespective of their language backgrounds. The Institute also has a Hindi Officer to encourage students.	NA	NA
20	IIT Jammu	As students come from all parts of India to IIT Jammu, the medium of instruction is English in the institute. Almost all original textbooks for science and engineering are in English, and therefore English is the naturally preferred medium of instruction.	Students from different parts of the country are given support for improving their English language skills.	NA	NA
21	IIT Bhilai	The medium of instruction is English as admission to various programs at IIT Bhilai is made from pan-India and from foreign nations.	The institute do have a support system for students who find it difficult to follow English. We do have a regular English Proficiency course for those students who need such support. In addition, in the regular classes, where students are not able to follow English, remedial non-informal classes are held by our faculty members in languages which may be understood by students.	NA	NA
22	IIT Goa	The medium of instruction is English in the institute for all the technical & science courses. However, Faculty members are encouraged to use Hindi for instruction & discussion with the students.	Peer learning sessions are also arranged in Hindi with fellow students to learn the subject in the language of their comfort.	This institute will do the needful at the appropriate time in the future for the medium of instruction in Hindi.	The Institute is encouraging Hindi through extra-curricular activities.

No. IITJ/OA/Circular/2021-22/28/154   **Dated: 28 January 2022**

CIRCULAR

Subject: Teaching Assistantship (TA) guidelines for UG students

The following guidelines on revised roles and responsibilities is proposed for the TAs is as under:

1. Teaching assistantship shall include assisting faculty members in conduct of courses e.g. grading of homework, tutorials independently following the instructions given.
2. Additionally teaching assistantship may also include assisting faculty members in grading examination papers, quizzes, assignment and term papers in presence of faculty members and ONLY under their supervision.
3. Teaching assistants should participate in tutorials and laboratory classes in presence of faculty members. The TAs are also supposed to help in recording/uploading attendance data for courses.
4. In case of courses conducted through synchronized learning mode, teaching assistants may assist in sorting and analysing the queries raised by the candidates during the online session and also meet any additional requirement from time to time. They may also resolve/monitor those queries working closely with the instructors.
5. The senior UG students can be TAs in teaching the first year students.
6. The students to be acting as TA, must have to complete the respective courses with at least 'A-' grade.

Terms of reference: UG students can also serve as TA for 1st and 2nd year UG courses. A 3th year UG student can participate for TA duty of 1st year courses whereas 4th year students can participate for TA duty of 1st and 2nd year courses. UG students can be allocated a maximum *four* hours of TA duty per week. A student with CGPA 8.0 and above will be eligible for the same. The student would be given assistantship of Rs. 6000 per month for 4hr/week Teaching Assistantship (proportionately) for the same.

The assistantship for UG students will be processed on recommendation of the course instructor and head of the department from the recurring budget of the department. For institute level courses being managed by the Office of Academics/Students, the assistantship will be released based on recommendation of the course instructor and respective Associate Dean. Allocation of UG students in department level courses will be managed by respective departments.
