1. **What are the steps being undertaken by the Ministry towards the strategic focus and vision of our institutions regarding research and development activities?**

Various projects and schemes are being implemented in the institute with the funds being provided by various ministries to-

- Enhance effectiveness in the field of technical education.
- Promote research & development activities.
- Develop indigenous R&D capabilities .
- Create a successful Start-up culture.

There are various ongoing projects in IITJ under Ministry initiatives with Ministry of Ayush, Ministry of Defence, Ministry of Jal Shakti-National Jal Jeevan Mission, MSME, Ministry of New & Renewable Energy, Department of Science & Technology, Department of Atomic Energy, Department of Telecommunication (DoT), Department of Biotechnology, Science & Engineering Research Board etc. Details regarding some of the projects/schemes are given below:

a) **National Jal Jeevan Mission**-"Centre for Sustainability of Drinking Water Sources" has been established at IIT, Jodhpur under the *National Jal Jeevan Mission* initiative of government with its vision to provide safe and adequate drinking water through individual household tap connections to all households in rural India.

b) **Jodhpur City Knowledge and Innovation Foundation (JCKIF):** It is a Section-8 company (Non-Profit Organization) established to carry out and sustain the activities of Jodhpur City Knowledge and Innovation Cluster (JCKIC).
   - JCKIC is an initiative of the Office of the Principal Scientific Adviser (PSA) to the Government of India on the recommendation of the Prime Minister's Science, Technology, and Innovation Advisory Council (PM-STIAC) to create an Atma-nirbhar Bharat through Science & Technology.

c) **SERB-SIRE** - SERB International Research Experience (SIRE) aims to impart high-end research training in frontier areas of Science and Technology by providing opportunity to visit leading institutions/universities across the globe for a period of 02-06 months.

d) **Impacting Research and Innovation Technology (IMPRINT):** It is the first of its kind MHRD supported Pan-IIT + IISc joint initiative to provide solutions to the most relevant engineering challenges and translating knowledge into viable technology in selected technology domains, viz. health care, energy, sustainable habitat, Nano technology hardware, water resources and river systems, advanced materials, Information and communication technology, manufacturing, security and defence, and environmental science and climate change.

e) **Ayur Tech**- It is the Center of Excellence (CoE) sponsored by the Ministry of Ayush to promote AYUSH medical systems through cost effective AYUSH services, strengthening of educational systems, facilitate the enforcement of quality control of Ayurveda, Siddha and Unani & Homoeopathy (ASU &H) drugs and sustainable availability of (ASU & H) raw materials.

f) **DST- Women Scientists Scheme** – It is a scheme sponsored by Department of Science & Technology; Women scientists are being encouraged under this scheme to pursue research in frontier areas of science and engineering, on problems of societal relevance and to take up S&T-based internship followed by self-employment.

2. **Are there specific mechanisms in place to foster collaboration between our institution and external stakeholders, such as industry partners, government agencies, or non-profit organizations?**

IIT Jodhpur's research focus areas have expanded substantially, and the Institute has ventured into several interdisciplinary research areas in partnership with industry, government and academic institutions of national Indian Institute of Technology Jodhpur and international repute. Of note, the Institute has entered into Memoranda of Understanding (MoU) with the Electronic Industries Association of India; Siemens Software; Rajasthan State Industrial Development and Investment Corporation Ltd.; Wiley India Private Limited; Institute Polytechnique De Grenoble to collaborate on various frontier areas. This has been facilitated largely by the Office of Corporate Relations and the Office of International Relations & Outreach, recently set up by the Institute. Our corporate relations are not restricted to engagement with industry just for sponsored research and consultancy, but also for industry level skilling, reskilling and upskilling. In a consistent move towards engaging with industry for research, departmental industry days are being organized by various academic units of the Institute.

3. **Are there initiatives or programs in place to promote the dissemination of research findings through publications, conferences, and other knowledge-sharing platforms?**

IIT Jodhpur has taken multiple initiatives to promote the dissemination of research findings through various platforms' like:

(a) **Tech Scape:** It is the Science, Technology and Education Journal aiming to facilitate dissemination of the work to the larger public. For this purpose, the Institution Publication Committee invites articles from faculty members and their PhD students every year.

(b) **Newsletter**- *Indian Institute of Technology Jodhpur* provides information of the institute events, new research projects, research publications, institute activities through these Newsletters.

(c) **Institute IP Management Group (IIPMG)–** It is a systemic platform for the governance and management of IP in the Institute, to enable the Institute personnel and those associated with the Institute especially the faculty, undergraduate and post graduate students and 10 researchers for protection of their innovations created during their educational developmental process in the Institute.

(d) **TKTG-** TKTG has been set up to select innovations and creations for evaluation and exploration of possible knowledge transfer / commercialization . The TKTG is therefore responsible for all contractual agreements, material transfer agreements, IPR issues related to acceptance of grants from various organisations, government and non-government bodies including industries, financial institutions, angel investors.

We are also organizing various conferences/ workshops/training programs to provide an excellent platform for the faculty & budding students to share their research findings with the renowned experts. Some of the conferences which has been organized recently by IITJ are as given below:

1. *INAE SERB Youth Conclave 2022*
2. *Workshops on Creativity*
3. *Synergistic Training program Utilizing the Scientific and Technological Infrastructure (STUTI) Program*

4. *Training Programs in current trend in R&D modern scientific advances & technology for scientific understanding & promotion of Ayush Systems for Ayush Doctors/ Scientists-*
5. *National Symposium on Plasma Science & Technology*
6. *IITJ-JJM Capacity Building program*

Sir/Madam,

Kindly refer to the trailing mail. It is informed that one more Rajya Sabha Starred / Unstarred Question **Diary No. U1310, S1989,U1400 has received** to be answered on **26.07.2023,** regarding Rising number of Suicides in educational institutional. The text of the Question is as under:

(a) the number of suicides reported in higher education institutions including IITs, NITs, Central Universities and IISERs since the year 2014;
(b) the number of suicides due to caste discrimination and the plans of the Government to deal with the issue of increasing incidents of caste discrimination in educational institutions ; and
(c) whether the Government has conducted any study to analyse the root causes behind the increasing number of suicides in educational institutions; if so, the details thereof and if not, the reasons.

In view of the above all IITs are requested to provide the suicide data since 2014 till 2023. Accordingly, the google sheet has slightly been modified.

The links of the attached Google Sheets are as under:-

(i) Students have committed suicide in IITs

https://docs.google.com/spreadsheets/d/1xoSJ-neqflNNX8h31Eib_Knj8IybBNtqXAjGyfR4uSA/edit?usp=sharing

(ii) Students dropouts in IITs last 7 years

https://docs.google.com/spreadsheets/d/1XXKpMh0WMThY7SbO_iT5Z46bqP6tAF9OBZTclb5-4Ik/edit?usp=sharing

All IITs are requested to furnish the inputs at the earliest.

PS: While making any changes in the sheet it may kindly be ensured that no changes inadvertently happen to the data entered by other IITs

Subject: Inputs from IIT Jodhpur for the Lok Sabha Unstarred Question no. 1688.

S.N.	Question	Reply
a.	Whether the Government has taken cognizance of the increasing popularity of public policy programmes and careers among Indian students and if so, the details thereof;	IIT Jodhpur will implement any Policy / Guidelines to be adopted by the Ministry of Education, Govt. of India regarding Public Policy Programmes.
b.	Whether the government has taken cognizance that Indian students are largely opting for foreign universities and private institutions for their programmes;	
c.	Whether the government intends to coordinate with public Universities such as University of Delhi, IITs, JNU etc. to introduce Masters programmes in public policy/public administration to cater to the requirements of the students and the professional sector;	The Institute is not offering any Academic Programme in public policy/public administration. However, IIT Jodhpur's Center for Technology Foresight and Policy (CTFP) has been increasingly interacting with policy and planning organizations such as NCRPB, TIFAC, CDTI (BP R&D) from both a technology and policy perspective using foresight methods. The Center is also creating technology focus groups with policy perspectives being included in the ongoing discourse such as "Future of Cities". CTFP is also planning to launch courses with policy implications such as "Foresight with Simulation Modeling and Analysis", "Smart Contracts for Logistics", "Socio Technical

		Systems: Complexity and Governance". Also, IIT Jodhpur is offering courses on Public Policy such as: 1. Public Policy and Strategy 2. Introduction to Policy Analysis
d.	If so, the steps likely to taken and the tentative timeline for the same and if not, the reason therefor; and	NA
e.	whether the government intends to engage with Academic Institution, policy think tanks and experts in the field to design and implement these programmes?	NA

Sir/Madam,

Reference trailing mail received from CDN Section in this Ministry.

Please find attached herewith the Admitted **Lok Sabha Unstarred Question No. 2878 for 07.08.2023** regarding "**Engineering Courses**" asked by Hon'ble MP SHRI ANTO ANTONY.

The text of the Question is as under :

(a) whether the Government has any statistics regarding number of Engineering Colleges and Deemed Universities which are offering Engineering Courses in the country;

(b) if so, the details of number of Government and Private Engineering Colleges functioning in the country during the last ten years and number of students enrolled in these colleges during the above period, year-wise and State-wise;

(c) whether the Government has noticed that number of engineering students are declining every year; and

(d) if so, the details and the reasons thereto?

2. It is requested that the inputs for replying the above question may kindly be sent to this Ministry (in **Google-Sheet**) by today evening, positively.

Subject: Reply to admitted Lok Sabha Unstarred Question 2765 for answer on 07.08.2023 asked by Shri Subbarayan K. regarding "Delay in Transferring of Funds to Research Institutes".

The inputs from IIT Jodhpur are as below:

S. No.	Lok Sabha Unstarred Question 2765	Reply
(a)	whether there has been a delay in transfer of funds from Central agencies to top research institutes such as IITs and IISc due to which the purchases at these institutes are on hold and the scientists have not been paid for a few months;	There is no such delay as of now but this was experienced in the last financial year.
(b)	if so, the details thereof and if not, the reasons therefor?	The delay could have been due to the implementation of a new payment system (PFMS) & Procedural requirements for mapping of the bank A/c in PFMS under the revised fund flow mechanism. Due to a lack of understanding of this system; payments could not be transferred by central agencies on time, but now this process has been streamlined and we have been receiving these pending payments in this Financial Year.

IIT Jodhpur

Subject: Reply to Provisionally Admitted Question for the Rajya Sabha Diary No. - U1110 regarding Negative Perception Regarding Mathematics

IIT's admit students through a rigorous advanced Mathematics based entrance exams (JEE/GATE/JAM). Therefore, we do not see the negative perception in Mathematics, in general.

However, we acknowledge that the negative perception in Mathematics based on formal and informal engagement with various schools.

Therefore, IIT Jodhpur suggests the following corrective steps:

1. To organize conferences/ workshops / Meetings for Mathematics teachers to discuss state and pedagogy of Mathematics.
2. Programs should be organized to connect school level mathematics teachers to Higher Education mathematics teachers.
3. Encourage experience and experimental learning and teaching of Mathematics at all levels.
4. To integrate use of computers in Mathematics education at appropriate level.
5. Revision is proposed in assessment and evaluation of mathematical understanding.

In that direction, at IIT Jodhpur, we are organizing various events for interaction with schools/colleges in Jodhpur.

1. Open House: Inviting school children to IIT Campus for exploring different initiatives and activities in the current Mathematics, Science and Technology education.
2. Conferences: Department of Mathematics is organizing conference on Technology Education in Mathematics, to promote innovation in Math education for various Mathematics teachers.
3. Math Lab: IIT Jodhpur has designed a comprehensive Mathematics laboratory align with NCERT curriculum of classes VI to X.

Sub: Rajya Sabha Unstarred Question No. 346 for 06.12.2023 regarding 'Drug abuse in educational Institutions.

The inputs from IIT Jodhpur are given below:

Sr. No.	Question	Answer
A.	Whether Government is aware of the accelerated rate of drug abuse among school and college students.	NA
B.	Whether there is any pragmatic and student-centric action plan to address this serious social issue.	The Indian Institute of Technology, Jodhpur (IIT-J) has recognized the gravity of substance use and abuse among young individuals, and the institute has taken decisive steps to address this concerning issue. Acknowledging the increased accessibility, affordability, and legalization of some addictive substances, the institute has actively embarked on multifaceted strategies to combat this trend. At the forefront of their efforts is the promotion of a healthy environment and the integration of diverse skills training programs aimed at the entire IIT-J community. These initiatives serve a dual purpose: discouraging new users from turning to substances by fostering healthy coping mechanisms and providing comprehensive support for active users. For those already engaged in addictive substance consumption, IIT-J offers a robust support system. This includes regular screenings for relapse risks, psychiatric referrals, psychotherapeutic sessions, and life-skill training programs to diminish the vulnerability to continued substance use. The institute boasts a proficient team of trained medical and counselling professionals who are pivotal in providing targeted assistance to address substance-related challenges within the IIT-J community. Overall, IIT-J's proactive

Subject: Reply to Lok Sabha Starred/Unstarred Question Diary No. 3534 to be answered on 11/12/2023 regarding " Enrollment of Ph.D Programmes"

The Department of Higher Education vide its email dated 01.12.2023 sought information with respect to the Lok Sabha Unstarred Diary no. 3534 to be answered on 11.12.2023 regarding "Enrollment of Ph.D Programmes".

The information available with IITJ is as below:

<table>
<tr><th>S.N.</th><th>Question</th><th>Reply</th></tr>
<tr><td>a.</td><td>whether it is true that enrollment of Ph.D programmes at IITs has come down</td><td>The statement is not agreed as at the IIT Jodhpur, the PhD. Programmes enrolment is increasing, that may be referred to the below table of Ph.D. enrolment for the previous 3 years:
<table>
<tr><th>S.N.</th><th>AY</th><th>Number of Ph.D. enrolments</th></tr>
<tr><td>1.</td><td>2021-22</td><td>137</td></tr>
<tr><td>2.</td><td>2022-23</td><td>156</td></tr>
<tr><td>3.</td><td>2023-24</td><td>115 (Ph.D. admission for December 2023 is under process, hence, it is not counted. The expected number of new Ph.D. enrolment is 50)</td></tr>
</table>
</td></tr>
<tr><td>b</td><td>if so, the reasons behind this downward trajectory among best STEM colleges in the country</td><td>NA</td></tr>
</table>

d	the reasons that above premier Institutions in spite of having record faculty strength and huge research funds students are not registering for Ph.D programmes; and	NA
e	the efforts being made by the Government to reverse this trend?	To admit more Ph.D. students, IIT Jodhpur has taken various steps to increase the number of applications for Ph.D. programs. Institute is using various communication channels, including social media, websites, and online portals to promote the PhD admissions. Also the Social media campaigns are being used to create engaging content about the program's benefits, research, and success stories. The institute's official website provides comprehensive information about the programme, admission criteria, faculty profiles, and research opportunities for the PhD aspirants. Institute is also stepping in collaborating with other institutions, research organizations, and industry partners to cross-promote Ph.D. opportunities. The Institute further organized Open House in different departments to attract quality applications.

Dear Sir,

Please find the below reply which has been submitted into Google form for kind reference:

Question 1 : State-wise and language-wise total number of students taking admission in Bachelor of Engineering (B.E.) and Bachelor of Technology (B.Tech) Courses through regional languages

The Reply is:

The institute takes the admission Centrally through Joint Seat Allocation Authority (JOSAA) in Bachelor of Technology.

Question 2 : What is the total additional cost to universities for adding regional language medium courses in BE/B.Tech and is this cost borne separately by the Government

The Reply is:

The institute has initiated to create the course material for the UG 1st year students in bilingual. The senior UG students are allocated as TAs to teach the first year students in Indian languages. The payment to TAs senior students of UG is borne by the Institute.

Sir/Madam,

Please furnish the inputs for the ADMITTED Lok Sabha Unstarred question No. 1365 for 11.12.2023 regarding Mission Mode Recruitment in Central Universities/ IITs. The text of the question is reproduced below.

Mission Mode Recruitment in Central Universities/IITs

1365. SHRI A. GANESHAMURTHI:

SHRI A. RAJA: Will the Minister of EDUCATION be pleased to state:

(a) whether it is a fact that only a few faculty members were recruited in the Central Universities (CUs) during the Mission Mode period while more than 6000 teaching posts are lying vacant in the CUs and if so, the position, institution-wise;
(b) whether the Indian Institute of Technology (IIT) has recruited only 20 per cent faculty members whereas more than 4500 posts are still vacant;
(c) the status of faculty position, vacant and filled, including reserved category in IITs, institution-wise;
(d) the reasons for the shortfall in respect of recruitment of general candidates, OBC, SC and ST candidates; and
(e) whether the Government has made serious efforts along with institutions to fill all the vacant posts in IITs and CUs, including the reserved category and if so, the time-frame for recruitment and if not, the reasons therefor?

S. No.	Institutes	(a) total-number of persons appointed so far as "Professor of Practice" in the higher educational institutions by way of lateral entry recruitment recently introduced by UGC as per National Education Policy 2020	(b) the details thereof, state-wise and categroy-wise	(c) whether extant reservation policy is applicable for such recruitments	(d) if not, the reasons thereof	(e) the number of persons belonging to SC, ST and OBC categories appointed as 'PoP' till dated either under general category or under reservation	(f) the details thereof, state-wise and category-wise
1	IIT Kharagpur	Nil (However, 2 nos. advertisements have been published by the Institute and selection is under process)	Nil	Reservation is applicable as per GoI norms.	NA	Nil	NA
2	IIT Bombay						
3	IIT Madras	In line with guidelines of Ministry of Education, IIT Madras as on date had appointed 29 "Professor of Practice" to meet expertise in the domain where they had served Government Organisation / PSU / Private Industry. However, the PoP do not occupy a sanctioned post of a professor in IIT Madras	The posts are for short-term duration and are of isolated nature. In the context of IITs, Professor of Practice are not part of teaching cadre as it is not mandatory for them to have PhD qualification. The community details are not available/collected as per the above. The persons appointed as Professor of Practice have not disclosed/declared their community/category. The selection was purely based on expertise required to collaborate Academia-Industry resources in the area of research.

Subject:- Lok Sabha Starred Question Diary No. 562 for 05.02.2024 regarding " Reservation Roaster by IITs for Direct Recruitment"– reg.

This has reference regarding reply of the above cited information. The requisite information specific to Office of Establishment – I is given as under:

(a) whether the reservation rosters prepared by each IIT for direct recruitment to each teaching faculty cadre;

Reply: Yes

(b) the details of methods followed in preparing reservation roster for flexible cadre structure at each IIT;

Reply: IIT Jodhpur: The Institute has adopted Reservation policy for faculty positions as per the CEI (Reservation in Teachers' Cadre) Act, 2019 and extant reservation norms of Govt. of India.

The Board of Governors has approved rostering for 125 Faculty Positions as the initial pool. The Institute has prepared the post wise (i.e. Professor, Associate Professor, Assistant Professor) and category wise bifurcation of following positions:

i) 10 Positions of Professor
ii) 15 Positions of Associate Professor
iii) 100 Positions of Assistant Professor
iv) These distributions might change with the availability of additional faculty positions in future.

Selection in each category will strictly follow roster sequence.
