Dear Sir,

With reference to your email dated 16.07.2024 on the above-mentioned subject.
The point-wise reply with respect to IIT Roorkee is given below:

1. Point 1: Whether the government has recognised the importance of introducing multilingual assessments in Design education; and
- Reply: "Primarily, the English language is the medium of instruction in IIT Roorkee considering the fact that there are students from different parts of the country as well as from outside the country. Assessments are, therefore, carried out accordingly.
However, the Department of Design facilitates multilingual interaction with the students, including during assessments.
2. Point 2: If so, the steps the government wish to take to address the issue?
- Reply: Further, the department encourages interaction of the students with their seniors and faculty members during the "Zero Hours", specially created by the Institute for the purpose."

1	IIT Kharagpur						
2	IIT Bombay	No retractions of research papers since last 3 years.	NA	NA	NA	NA	
3	IIT Madras	As per the retraction watch database, there are 5 documents retracted from 2019-2023.	Most of these are wrongful use of IIT Madras affiliation by authors of the retracted papers	No. As the number is very less.	The authors are not reachable and do not actually appear to be associated with IIT Madras	All students are sensitized to the importance of following ethical research and publication practices.	
4	IIT Kanpur	IIT Kanpur doesn't maintain such record.	NA	NA	NA	NA	
5	IIT Delhi	No, IIT Delhi has not retracted any paper. However, the total number of retracted papers by authors with IIT Delhi affiliation is 22, from the year 2001 to 2024 (till now), over which period the total number of publications is 46527 Reasons for retraction include discrepancies in the description of the research reported, lack of confidence in the results and conclusions of the article, concerns about the validity of the data, and incorporating text and figures of a similar nature and no citation to earlier work.	-	No	The authors are sensitized	No	
6	IIT Guwahati	IIT Guwahati doesnot maintain such record.	NA	NA	NA	NA	
7	IIT Roorkee	(4) Nos. Retractions have been made in past several years.	There have been several reasons to retractions: a) Overlap between a conference proceeding publication and a journal publication by the same authors. b) Overlooking of the references and due acknowledgement in some cases. c) Intentional Plagiarism by one of the authors.	As intentional cases may be counted on fingers and none of the cases is related to the conivance of all the authors hence scientific reputation of the institution is not affected. Further academic fraternity understands the reasons of such cases as those a transparently published on the relevant data bases. Other reason is that IIT Roorkee holds a strong legacy and standards which are known to the academic world.	a) A pledge appears on the academic portal everytime a faculty logs in and one has to pledge before one may proceed. This keeps on reminding everyone on the level of standards one has to follow. b) Only and only the faculty members may be the corresponding author in any paper presented or published from the institute in any guided research, which makes the faculty member responsible for any lapses and therefore the incidents have dropped to almost zero accept for some neglignece cases. c) There is an institute policy which is circulated every now and then amongst all the stakeholders. d) Continuous orientation programmes for the students and the faculty by eminent soeakers and	Continuous advisories are issued in general as well as in specific cases. Specific committees are constituted for every reported case. These fact finding committees deliberate on every aspect and file reports, which are considered for specific actions for the competent authority.

Mental Health Initiatives and Training: o Regular sessions on mental health topics such as managing addiction, negative thoughts, procrastination, mindfulness, and stress management are organized. o Open sessions and workshops on academic improvement, sleep quality, time management, internet addiction, relationships, and social anxiety are conducted periodically. o Training sessions for students by professional counsellors and practicing psychiatrists are also held to enhance resilience and coping mechanisms. d. Proactive Measures for Mental Health Awareness: o During the orientation program, sessions are conducted by institute leaders (Director, Dean of Academic Affairs, Dean of Students' Welfare, Associate Dean of Students' Welfare for Wellness, and mental health professionals) to sensitize students about mental health and available support systems. o An Undergraduate Fresher's Course is offered, focusing on values such as happiness, cooperation, gender sensitization, and environmental consciousness. e. Accessibility of Counsellors: o Contact details of counsellors are prominently displayed in hostels, messes, departments, and on the institute website. Periodic email notifications are sent to all students, staff, and faculty to increase awareness of the services. f. Emergency Support: o For emergencies, a counsellor and a faculty member from the Students' Welfare Office are available 24x7. Emergency response time is typically within 15-30 minutes. g. Inclusivity Measures for Students with Disabilities: o The Wellness Centre provides specialized support, including wheelchairs, hearing aids, and cycles for students with disabilities and financial constraints. o Tailored support, such as speech therapy and sign language interpretation, ensures inclusivity for students with hearing impairments. o Equipment and services are provided after thorough assessment by trained professionals, fostering a more inclusive environment. 3. Management Structure for Wellness Activities: o The Dean of Students' Welfare oversees the Wellness Centre and its activities. o Three Associate Deans (ADoSW) ensure effective management of distinct domains: 1. ADoSW (Bhawan & Mess) – Focuses on hostel and mess-related issues. 2. ADoSW (Students' Wellness) – Addresses student mental health and wellness concerns. 3.
